

Come on babe  
Come on set me free  
I've paid for my crime  
Come on babe  
Come on rescue me  
Just this last time

I plead the case  
I need to space  
Don't let it wait  
I plead the case  
I need to space  
Don't let it wait

Come on babe  
Come on set me free  
I've paid for my crime  
Come on babe  
Come on rescue me  
Just this last time
