The Leper

Dinosaur Jr.

Embarrassed to be alive
Sit with my life, open wide
Your stare is forcing my face open
A leper crumbling, never joking
Who should I believe

Safest to wallow in my own esteem Afraid, stick my neck out Knowing the day has drawn

I'm a leper
Scared beyond this feeling
I dare to escape

A leper Doomed to this My life is chosen to rape

Embarrassed to be alive
Sit with my life open wide
Your stare is forcing my face open
A leper crumbling never joking
I'm a leper
Scared beyond this feeling
I dare to escape

A leper Doomed to this My life is chosen to rape

I'm a leper Leper Leper
