

# My Eyes

Dio

My eyes can see inside tomorrow  
My eyes can get next to you  
Time flies on wings that just get stronger  
My eyes are true

My eyes could see the body shakin'  
My eyes were clear and bright  
Goodbyes are easy to remember  
You can see the hurt still there in my eyes

I've fallen off the edge of the world  
I've fallen from the top of the mountain  
Just to rise again

I've seen it from heaven and hell  
I've seen it from the eyes of a stargazer

I want to be invisible  
Just get me out of here  
Could the dreamer be turning to stone, oh

Rock and roll eyes  
The color of rainbows - believer of lies  
Rock and roll eyes, yeah

Don't want to see the end of it all  
Just get me outta here  
Just get me outta here  
Just get me outta here

Rock and roll eyes  
The keeper of rainbows  
Collector of lies  
Rock and roll eyes  
My eyes

Rock and roll eyes  
Tell rock and roll lies  
And rock and roll lies  
Never end

Rock and roll friends  
With rock and roll trends  
And rock and roll ends  
With my eyes
