

# Shame on the Night

Dio

Shame on the night  
for places I've been and what I've seen  
for giving me the strangest dreams  
But you never let me know just what they mean  
so oh oh so shame on the night alright  
And shame on you

you've stolen the day  
snatched it away  
but I saw the sky and I never want to die  
Now you know the reason why  
I say oh shame on the night  
You don't care what you've done  
so I think I'd better run  
Shame on the sun

for the light you sold  
I've lost my hold  
on the magic flame  
but now I know your name

Oh lord just go the way you came  
again oh oh oh  
shame on the night  
You don't care what you've done  
so I know I'd better run

Shame on the night  
for places I've been and what I've seen  
for giving me the strangest dreams  
But you never let me know just what they mean  
so oh oh so shame on the night alright  
And shame on you

You don't care what you've done  
here I go  
I've got to run  
Shame on the night  
shame shame on you  
Shame on the dream  
shame on the sun and you  
shame on the night

for the light you sold  
I've lost my hold  
on the magic flame  
but now I know your name

Shame on the night  
shame on you  
shame on all of you  
shame on the night
