Dio

You say you've never seen the light before does anyone believe you Don't let them hear you say it anymore Nothing's really safe around here

We are an imitation of the crown we never turn the pages
They cannot let your spirit touch the ground Nothing's gonna change around here

Crack in the ceiling hole in the wall they bend you over but you won't crawl away

Two in the bushes
one in the hand
They'd make you over
but they can't understand you
You're always gonna be the wild one

Pretend that all you really feel is pain just hide behind some sorrow
How sad
But you'd do it all again
(I guess that) Nobody changes 'round here

Cat in the cradle
Man in the moon
They'd make you over
but it's too soon to know

Smoke in the kitchen fire in the hall
The train is coming and you can hear it coming
You're always gonna be the wild one

Crack in the ceiling hole in the wall they bend you over but you won't crawl away

Two in the bushes
one in the hand
They'd make you over
but they can't understand you
You're always gonna be the wild one
