Blue Monday, how I hate blue Monday Got me workin' like a dog all day Here comes Tuesday, oh hard Tuesday I'm so tired, I've got no time to play Look out Wednesday I'm beat to my bone My girl calls, I gotta tell her I'm not home She knows Thursday is a hard workin day Til Friday I get paid Oh Saturday morning, Saturday morning All my tired has gone away Got my money and my honey And we're out on the town to play Sunday morning my head is bad But it's worth it, all the times I had But I've still got to get my rest For Monday is a mess Saturday morning, Oh Satirday morning All my tired has gone away Me and my honey, we got some money And were out on the town play Sunday morning my head is bad But it's worth all the times I had But I've got to go and get some rest For Monday is a mess!
