

Built For Comfort

Dion

Some folks built like this Some folks built like that But the way I'm built, don't you call me fat

Because I'm built for comfort, I ain't built for speed But I got everything that a good girl needs

Some folks rip and run Some folks believe in signs But if you want me, baby, you gotta take your time

Because I'm built for comfort, I ain't built for speed But I got everything, baby, that a good girl needs

I ain't got no diamonds, I ain't got no gold But I do have love to satisfy your soul

Because I'm built for comfort, I ain't built for speed But I got everything, oh, you good women need
