

# Could Somebody Take My Place Tonight

Dion

(Oooo, ooo)

Are you lonely? Only 'cause there is nobody near

(Oooo)

If someone new should kiss you

Will your heartaches disappear?

(Bum bum bum)

I love you so (I love you so)

And I wanna know

(Bum bum bum)

Could somebody take my place tonight

(I wonder, I wonder)

(Oooo, ooo)

Could two other arms enfold you in a warm embrace?

And could two other lips get close enough to kiss your face?

(Bum bum bum)

Don't you know I love you so?

(I love you so)

And I wanna know

(Bum bum bum)

Could somebody take my place tonight?

(Tonight, ooo)

I've been gone so long, I get to wondering

(Wonderin')

Are you being true or have you found somebody new?

Write me, call me, tell me that you're still in love with me

Prepare me for the worst if that's the way it's gonna be

(Bum bum bum)

I love you so

(I love you so)

And I wanna know

(Bum bum bum)

Could somebody take my place tonight?

(Tonight)

(Bum bum bum)

Oh I love you so

(I love you so)

I gotta know

(4x)

Could somebody take my place tonight?

(I wonder, I wonder)
