

Gonna Make It Alone

Dion

I'm gettin' older day by day
It's comin' time to break away
So many things I want to do
On my own, I'm gonna make it alone, 'lone, 'lone
I'm gonna get myself a car
I'll travel near, I'll travel far
Just like the men I'll be free
On my own, I'm gonna make it alone, 'lone, 'lone
Wo wo wo yeah now
Wo wo wo yeah
Wo wo wo wo
Wo wo wo wo

I'll find a town to hang around
I'll be the man to shake my hand
The girls you find will all be mine
I'll make some money in a rush...yeah, be too much

I'm gonna get out of this place right now
It's gonna change my luck somehow
I'm gonna leave with no goodbyes
On my own, I'm gonna make it alone, 'lone, 'lone
Wo wo wo wo
Yeah yeah yeah yeah now
Wo wo wo wo
Wo wo wo wo

I'll find a town to hang around
I'll be the man to shake my hand
The girls you find will all be mine
I'll make some money in a rush...yeah, be too much

Wo, wo, wo, ect...
