

He Looks A Lot Like Me

Dion

I hear it still
Thou shall not kill
When did they mean that Momma?

I'm way out here
And I'm in fear
Pray for us Momma
Here he comes
He's got a gun
They say he's my enemy
Ain't it funny Momma?
He looks a lot like me

I see in his eyes
Why he's just a boy
Momma he ain't no man
Can't I kill
Do you think I can?

I hear it still
Thou shall not kill
When did they mean that Momma?
I hear it still
Thou shall not kill
Oh Momma
