

Holly Brown

Dion

Holly Brown, Holly Brown,
Tell me, is the world really round?
Holly Brown, Holly Brown,
Is the world really round?
Every time you kiss me baby,
I come ten feet off the ground.

Holly Brown, Holly Brown,
Tell me why do bluebirds really fly?
Holly Brown, Holly Brown,
Do bluebirds really fly?
Every time you look at me baby,
I want to lay right down and die.

You know I want one thing baby
You gotta understand.
I want to get close to you
Anyway I can.

Holly Brown, little girl,
Lips as soft as summer breeze.
When God made you
He was really pleased.

[Instrumental break]

Little girl, Holly Brown,
You know the D train goes downtown.
Holly Brown, Holly Brown,
You know the D train runs downtown.
You got a hold on me baby
Even when you're not around.

[Instrumental break]

Holly Brown, Holly Brown,
Do the bluebirds really fly?
Holly Brown, Holly Brown,
Tell me the bluebird really flies.
Every time you look at me baby,
I want to lay right down and die.
