

I Let My Baby Do That

Dion

They call me sweet papa d cos I'm slamming and tall But when it comes time to get my ashes hauled I let my baby do that (3x) And it ease my worried mind

I got a red corvette and I got a strict rule when it gets too hot I want my engine cooled I let my baby do that (3x) And it ease my worried mind

Hey baby oh, mama I let my baby.....(guitar)

ohhhhh oooooooooohhh yea

you can drink my coffee you can use my cream when it come to loving me that gonna be in the dream I let my baby do that (3x) And it ease my worried mind

you can crank my car shift my gear but when the easy riding baby goes on here I let my baby do that Oh baby do that and it ease my troubled mind I let my baby do that (2x) And it ease my worried mind

one more time

mmmmmmmmmmmmmm You can drink my liker you can draw my show but when it comes time girl to kneading my dough I let my baby do that and it ease my worried mind I let my baby do that and it ease my worried mind
