

# I Wonder Why

Dion

Don't know why I  
Love you like I do  
Don't know why I do

Don't know why I love you  
Don't know why I care  
I just want your love to share

I wonder why I  
Love you like I do  
Is it because I  
Think you love me too  
I wonder why I love you  
Like I do, like I do

I told my friends  
That we would never part  
They often said that  
You would break my heart  
I wonder why they think that  
We will part, we will part

When you're with me  
I'm sure you're always true  
When I'm away, I wonder what you do  
I wonder why I'm sure you're  
Always true, always true

Don't know why I do
