

Kansas City

Dion

I'm going to Kansas City
Kansas City here I come
I'm going to Kansas City
Kansas City here I come
They got some crazy little women there
I'm gonna get me just one

I'll be standing on the corner
On the corner of Twelfth Street and Vine
I'm gonna be standing on the corner
On the corner of Twelfth Street and Vine
With my Kansas City baby
And a bottle of Kansas City wine

Well I might take a train
I might take a plane
But if I have to walk
I'm gonna get there just the same
I'm going to Kansas City
Kansas City here I come
They got some crazy little women there
I'm gonna get me just one

Oh if I stay with that woman
Don't you know, I gonna die
I've got a brand new baby
And that's a reason why
I'm going to Kansas City
Kansas City here I come
They got some crazy little women there
I'm gonna get me one

They got some crazy little women there
I'm gonna get me one
They got some crazy little women there
I'm gonna get me one...
