

Sweet, Sweet Baby

Dion

Well I love you baby, & I know, I do
'Cause baby, everything I do, I do is just for you
'Cause you're my baby, wo yeah
Sweet sweet baby, wo yeah
Now I love you, honey so so so
You know I love you so so so

Now baby, when it comes to lovin', you treat me real fine
"Cause baby, that's what makes me know that you are mine, all mine
'Cause you're my baby, wo yeah
Sweet sweet baby, wo yeah
Don't you know I love you so so so
I love you, sweet thing, so so so, say

Come on, wo yeah now (4x)
Wo yeah, wo yeah, oh come on
I love you baby so so so (2x)
Now I tell you

Let no other woman get to shine your shoes
'Cause baby, when you start to love me, I just lose all my blues
'Cause you're my baby, wo yeah
Sweet sweet baby, wo yeah
I love you honey so so so
I love you, sweet thing, so so so

Let me hold you, let me hold you baby
Let me, sweetheart, come on
I wanna lift you, love you, baby
