## **Move A Little Faster**

## **Dionne Bromfield**

Yeah, yeah

How can I explain it You got to get it, baby Can't you see you're only chasing? You got to step up if you're gonna do it right

You're too slow, boy Well, if you wanna keep up You got to move a little faster, yeah You're too slow, boy Well, if you wanna keep up You got to move a little faster, yeah

Your mind is always racing So work it out, baby Got no time for fakin', You got to step up if you're gonna do it right

You're too slow, boy Well, if you wanna keep up You got to move a little faster, yeah You're too slow, boy Well, if you wanna keep up You got to move a little faster

C'mon, you're too slow, boy Well, if you wanna keep up You got to move a little faster, yeah You're too slow, boy Well, if you wanna keep up You got to move a little faster, yeah

You won't hold me If you don't know me If you're ever gonna be mine You got to step up if you're gonna do it right

You're too slow, boy Well, if you wanna keep up You got to move a little faster, yeah You're too slow, boy Well, if you wanna keep up You got to move a little faster

Oh, c'mon, you're too slow, boy Well, if you wanna keep up You got to move a little faster, yeah You're too slow, boy Well, if you wanna keep up You got to move a little faster, yeah

Step up, step up, step up Step up, step up, step up Move a little faster

Step up, step up, step up

Step up, step up, step up Move a little faster, move a little faster Move, move it, move it, yeah
