

# Oh Henry

Dionne Bromfield

Everyday  
I'm glad that you belong to me  
I like the way you follow me  
Oh Henry

The other day  
I found you just the other day  
A little puppy all astray  
Oh Henry

No matter what you do  
I'll keep on loving you  
If you went away  
I'd long for you each day  
Oh, oh Henry  
Yes you are my only pride and joy  
Yes you are my little puppy dog  
Oh Henry

No matter what you do  
I'll keep on loving you  
If you went away  
I'd long for you each day

Oh, oh Henry  
Yes you are my only pride and joy  
Yes you are my little puppy dog  
Oh Henry

Oh Henry  
Oh Henry  
Oh Henry...
