

# Ouch That Hurt

Dionne Bromfield

I've fallen a few times  
But never this far  
I never knew I'd  
surrender my heart

Everytime that you leave  
You keep getting to me  
Now I'm starting to see  
This is love

Ouch that hurt  
come kiss it better  
oh my my  
oho hoo

Ouch that hurt  
baby whatever you do  
let me be the one who  
kisses it better for you

I'm insecure now  
and I'm feeling afraid  
For me it's a real thing  
But for you it is only a game

Ouch that hurt  
come kiss it better  
oh my my  
oho hoo

Ouch that hurt  
baby whatever you do  
let me be the one who  
kisses it better for you

Everytime that you leave  
you keep getting to me  
now i'm starting to see  
this is love

Ouch that hurt  
come kiss it better  
oh my my  
oho hoo

Ouch that hurt  
come kiss it better  
kiss it better  
better

Ouch that hurt  
come kiss it better  
oh my my  
oho hoo

Ouch that hurt  
baby whatever you do

let me be the one who  
kisses it better for you
