With A Child's Heart

Dionne Bromfield

With a child's heart Go face the worries of the day With a child's heart Turn each problem into play No need to worry no need to fear Just being alive makes it all so very clear

With a child's heart Nothing can ever get you down With a child's heart You've got no reason to frown Love is as welcome As a sunny sunny day No grown-up thoughts To lead our hearts astray

Take life easy, so easy nice and easy Like a child so gay and so carefree The whole world smiles with you As you go your merry way Oh with a child's heart Nothing's gonna get me down
