Are You There (With Another Girl)

Dionne Warwick

I hear the music coming out of your radio Are you there with another girl instead of me? I hear your laughter and there's something I've got to know Are you there with another girl instead of me?

I'm standing on your doorstep and I don't know what to do Should I ring your doorbell or just walk away? My friends all say that you were never true Hiding in the shadows

I see two silhouettes on the back of your window shade Are you there with another girl when I am gone? I can't believe you'd break the promises that you made If you're there with another girl, I can't go on

I only know I love you and I couldn't say goodbye So, if there's another, I don't want to know If you should go, oh, I would surely die

Love requires faith, I've got a lot of faith, but I hear the music coming out of your radio

I only know I love you and I couldn't say goodbye So if there's another, I don't want to know If you should go, oh, I would surely die

You would never leave me, hurt me or deceive me I'm a fool to doubt you, worry so about you Love requires faith, I've got a lot of faith, but I hear the music coming out of your radio

Hmmm, yeah, I hear the music Coming out of your radio The sweet, sweet music And you're there with another girl I hear the music I don't wanna know
