

# Blessed Be The Name Of The Lord

Dionne Warwick

On my appointed time  
I'm gonna wait till my change come  
On my appointed time  
I'm gonna wait till my change come  
I said that on my appointed time  
I'm gonna wait till my change come

You know that the Lord gives  
I know the Lord takes  
I say, blessed, blessed be the name of the Lord

You know that Job was sick so long  
Until the flesh fell from his bones

You know that Job was sick so long  
Until the flesh fell from his bones  
You know that Job was sick so long  
Until the flesh fell from his bones

You know that the Lord gives  
I know the Lord takes  
I say, blessed, blessed be the name of the Lord

You know the wife came a running to Job  
She said that all your cattle are dead  
Oh, the wife came a running to Job  
She said that all your cattle are dead  
The wife came a running to Job  
She said that all your cattle are dead

You know that the Lord gives  
I know the Lord takes  
I say, blessed, blessed be the name of the Lord

Job's wife told him  
Why don't you curse your God?  
Job's wife told him  
Why don't you curse your God?  
You know that Job's wife told him  
Oh, why don't you curse your God?

I praise the Lord God  
The Lord gives  
And I know that the Lord takes  
Hey, blessed, blessed be the name of the Lord

Job told his wife  
You talk like a foolish wife  
Job told his wife, yeah  
You talk like a foolish wife  
Job told his wife  
You talk like a foolish wife

Don't you know the Lord gives?  
Don't you know the Lord takes?  
I said blessed, blessed be the name of the Lord

That's why now on my appointed time  
I'm gonna wait till my change come  
Oh, on my appointed time  
I'm gonna wait till my change come  
Oh now, on my appointed time  
I'm gonna wait till my change come

I know that the Lord dives  
I know the Lord takes  
That's why I say blessed  
Blessed  
Blessed  
Blessed  
Blessed  
Blessed  
Blessed  
Blessed  
I said blessed be the name of the Lord
