

Grace

Dionne Warwick

His grace will give you the victory
Grace, grace, God's holy grace
Oh his grace is sufficient for me
Oh grace, my God's holy grace
God's grace
His grace will give you the victory
Grace woke me up this morning
And don't you know
That grace started me on my way
Oh grace will make you love
Love all your enemies
Oh yes, it will, and I know that grace
Oh yes, God's grace will brighten up your day
Oh I'm singing grace, God's holy grace, grace
Oh, God's grace, his grace is sufficient for me
Oh grace, God's holy grace, God's grace
His grace will give you the victory
