

Here's That Rainy Day

Dionne Warwick

Maybe I should have saved those leftover dreams
Funny, but here's that rainy day
Here's that rainy day they told me about
And I laughed at the thought that it might turn out this way

Oh, where's that worn out wish that I threw aside
After it brought my lover near?
Funny how love becomes a cold rainy day
Funny, that rainy day is here

Where's that worn out wish that I threw aside
After it brought my lover near?
Funny how love becomes a cold rainy day
It's funny, my rainy day is here

Funny, my rainy day is here
