

# I Wish You Love

Dionne Warwick

You I love  
The kind of passion you fashion cannot be explained  
You I love  
You're so appealing the feeling cannot be contained

And when I touch you  
There's no denying the flying I do in to space  
You're just too much you  
The simple case is your face is the face of faces

You I need  
Not only merely I'm clearly a person bereft  
Yes indeed  
I'd draw the curtain for certain if you ever left

And if I stammer  
Forgive my grammar  
You got me winging no wonder I'm singing  
It's you I love

You I love  
You I love

You I need  
Not only merely I'm clearly a person bereft  
Yes indeed  
I'd draw the curtain for certain if you ever left

And if I stammer  
Forgive my grammar  
You got me winging no wonder I'm singing  
It's you I love  
It's you I love  
It's you I love
