

## If You Can Dream

Dionne Warwick

If you can dream  
The world's a better place by far  
If you can dream  
You're anyone you dream you are  
Day or night  
You've the right to pretend  
Close your eyes  
Each surprise is yours my friend

If you can dream  
The love you seek is by your side  
If you can dream  
Each kiss will leave you starry-eyed  
Castles and kings are everyday things  
There's no extreme  
If you can dream  
And just believe the things you dream

If you can dream  
The love you seek is by your side  
If you can dream  
Each kiss will leave you starry-eyed  
Castles and kings are everyday things  
There's no extreme

If you can dream  
And just believe the things you dream  
If you can dream  
And just believe the things you dream
