If You Can Dream

Dionne Warwick

If you can dream
The world's a better place by far
If you can dream
You're anyone you dream you are
Day or night
You've the right to pretend
Close your eyes
Each surprise is yours my friend

If you can dream
The love you seek is by your side
If you can dream
Each kiss will leave you starry-eyed
Castles and kings are everyday things
There's no extreme
If you can dream
And just believe the things you dream

If you can dream
The love you seek is by your side
If you can dream
Each kiss will leave you starry-eyed
Castles and kings are everyday things
There's no extreme

If you can dream
And just believe the things you dream
If you can dream
And just believe the things you dream
