

## It Was Almost Like a Song

Dionne Warwick

Once in every life, someone comes along.  
And you came to me, it was almost like a song.  
You were in my arms, right where you belong.  
And we were so in love, it was almost like a song.

January through December, we had such a perfect year.  
But then the flame became a dying ember, all at once,  
You weren't here.

Now my broken heart, cries for you each night.  
And it was almost like a song, but it's much too sad to write.

Now my broken heart, cries for you each night.  
And it was almost like a song, but it's much too sad to write.  
It's too sad to write.
