

Let It Be Me

Dionne Warwick

I bless the day I found you
I wanna stay around you
And so I beg you let it be me

Don't take this heaven from one
If you must cling to someone
Now and forever let it be me

Each time we meet love
I find complete love
Without your sweet love
What would life be

I bless the day I found you
I wanna stay around you
And so I beg you let it be me

Don't take this heaven from one
If you must cling to someone
Now and forever let it be me

Each time we meet love
I find complete love
Without your sweet love
What would life be

So never leave me lonely
Tell me you love me only
And that you'll always let it be me

Please let it be me

So never leave me lonely
Tell me you love me only
And that you'll always let it be me
Let it be me
