Let It Be Me

Dionne Warwick

I bless the day I found you I wanna stay around you And so I beg you let it be me

Don't take this heaven from one If you must cling to someone Now and forever let it be me

Each time we meet love I find complete love Without your sweet love What would life be

I bless the day I found you I wanna stay around you And so I beg you let it be me

Don't take this heaven from one If you must cling to someone Now and forever let it be me

Each time we meet love I find complete love Without your sweet love What would life be

So never leave me lonely Tell me you love me only And that you'll always let it be me

Please let it be me

So never leave me lonely Tell me you love me only And that you'll always let it be me Let it be me
