

Never Gonna Let You Go

Dionne Warwick

I was as wrong as I could be
To let you get away from me
I'll regret that move for as long as I'm living

And now that I've come to see the light
All that I wanna do is make things right
So just say the word and tell me that I'm forgiven

You and me we're gonna be
Better than we were before
I loved you then but now I intend
To open up and love you even more
This time you can be sure

Never gonna let you go
I'm gonna hold you in my arms forever
Gonna try and make up for the times I hurt you so
Gonna hold your body close to mine
From this day on we're gonna be together
Oh I swear this time I'm never gonna let you go

Looking back now it seems so clear
I had it all when you were here
Oh you gave it all and I took it for granted

And if there's some feeling left in you
A flicker of love that still shines through
Well let's talk it, let's talk about our second chances

When you see it's gonna be
Sweeter than it was before
I gave something but now I intend
To dedicate myself to giving more
This time you can be sure

I'm never gonna let you go
I'm gonna hold you in my arms forever
Gonna try and make up for the times I hurt you so
Gonna hold your body close to mine
From this day on we're gonna be together
Oh I swear this time I'm never gonna let you go

Let me hold you to my heart
Let me say that you're a part of me
And you always will be, I've come to see
There's no-one else but you
So won't you say you want me too

I'm never gonna let you go
I'm gonna hold you in my arms forever
Gonna try and make up for the times I hurt you so
Gonna hold your body close to mine
From this day on we're gonna be together
Oh I swear this time I'm never gonna let you go

I'm never gonna let you go
I'm gonna hold you in my arms forever

Gonna try and make up for the times I hurt you so
Gonna hold your body close to mine
From this day on we're gonna be together
Oh I swear this time I'm never gonna let you go

I'm never gonna let you go
I'm gonna hold you in my arms forever
Gonna try and make up for the times I hurt you so
Gonna hold your body close to mine
From this day on we're gonna be together
Oh I swear this time I'm never gonna let you go
