

Oh Bahia

Dionne Warwick

Oh Bahia yi yi
When the twilight is deep in the sky
Bahia yi yi

Someone that I long to see
Keeps haunting my reverie
So with patience I wait here for you
Oh Bahia, vou contar

I live with the memory of dreams ago
When stars were bright, mais frajola da Bahia

The tenderness of your kiss
Your warm embrace
Will you come back to my arms
My darling

Bahia
You bring felicidade
Morena
How long must I be this lonely
Meu senhor do bonfim
Arranje outra morena ingualzinha pra mim
