Oh Bahia

Dionne Warwick

Oh Bahia yi yi When the twilight is deep in the sky Bahia yi yi

Someone that I long to see Keeps haunting my reverie So with patience I wait here for you Oh Bahia, vou contar

I live with the memory of dreams ago When stars were bright, mais frajola da Bahia

The tenderness of your kiss Your warm embrace Will you come back to my arms My darling

Bahia
You bring felicidade
Morena
How long must I be this lonely
Meu senhor do bonfim
Arranje outra morena ingualzinha pra mim
