

# Out Of My Hands

Dionne Warwick

I-I know I tried so hard  
what else can I do  
Just to see it through  
You-You never seem to realize  
The story written in my eyes  
why can't I make you see  
You were really meant for me  
Darling you and me  
Could be living' in ecstasy  
But it's

Out of my hands  
Baby now it's up to you  
Oh yeah it's out of my hands  
I really hope you'll see it through  
Now it's up to you.

You-You hears what I had to say  
I'm tired of these games you play  
Can't take another day  
So I'm just gonna ease my mind  
Leave it up to you  
And maybe then you'll see  
You were really meant for me  
Darling you and me  
Could be living' in ecstasy  
But it's

Out of my hands  
Baby now it's up to you  
Oh yeah it's out of my hands  
I really hope you'll see it through  
Now it's up to you.

Maybe then you'll see  
You were really meant for me  
Darling you and me  
Could be living' in ecstasy  
Maybe then you'll see  
You were really meant for me  
Darling you and me  
Could be living' in ecstasy  
But it's

Out of my hands  
Baby now it's up to you  
It's out of my hands  
I really hop you'll see it through  
now it's up to you
