People Got to Be Free

Dionne Warwick

All the world over, so easy to see People everywhere just wanna be free Listen, please listen, that's the way it should be Deep in the valley, people got to be free

You should see what a lovely, lovely world this'd be Everyone learned to live together Seems to me such an itty bitty thing should be Why can't you and me learn to love one another?

All the world over, so easy to see People everywhere just wanna be free I can't understand it, so simple to me People everywhere just got to be free

If there's a man who is down and needs a helpin' hand All it takes is you to understand and to pull him through Seems to me we got to solve it individually And I'll do unto you what you do to me

Shout it from the mountain on out to the sea No two ways about it, people have to be free Ask me my opinion, my opinion will be Nat'ral situation for a man to be free Git right on board now

Oh, what a feelin's just come over me Love can move a mountain, make a blind man see Everybody sing it now come on let's go see Deep in the valley now, we ought to be free

See that train over there? That's the train of freedom It's about to 'rrive any minute, now You know it's been'a long, long overdue Look out 'cause it's a'comin' right on through
