Something

Dionne Warwick

Something in the way he moves Attracts me like no other lover Something in the way he woos me I don't want to leave him now You know I believe and how

Somewhere in his smile he knows That I don't need no other lover Something in his style that shows me I don't want to leave him now You know I believe and how

You're asking me will my love grow I don't know, I don't know You stick around now it may show I don't know, I don't know

Something in the way he knows And all I have to do is think of him Something in the things he shows me I don't want to leave him now You know I believe and how
