Stronger Than Before

Dionne Warwick

And if you don't believe what I say You won't believe I'm not that way And I never meant to turn the hurt around I would be a fool to lose the love I found And if you take me back I'll let you know

I'll be stronger than before, I will love you even more Oh, I'll take you back, if you come back I'll take you anywhere you ever want to be You're the light inside of me Oh, I'll take you back, if you come back to me

And if you heard the whole thing before Then once again, I'll tell you more I would be a fool to ever let you go But I had to go away to finally know How much I need you back, I need your love

I'll be stronger than before, I will love you even more Oh, I'll take you back, if you come back I'll take you anywhere you ever want to be You're the light inside of me Oh, I'll take you back, if you come back to me

I'll be stronger than before, I will love you even more Oh, I'll take you back, if you come back I'll take you anywhere you ever want to be You're the light inside of me Oh, I'll take you back, if you come back to me If you come back, come back to me, come back and

I'll be stronger than before, I will love you even more Oh, I'll take you back, if you come back I'll take you anywhere you ever want to be You're the light inside of me Oh, I'll take you back, if you come back to me If you come back, come back to me, come back and
