

The Good Life

Dionne Warwick

Oh, the good life, full of fun seems to be the ideal
Yes, the good life lets you hide all the sadness you feel
You won't really fall in love for you can't take the chance
So be honest with yourself
Don't try to fake romance

It's the good life to be free and explore the unknown
Like the heartaches
When you learn you must face them alone
Please remember I want you
And in case you wonder why
Well, just wake up, kiss the good life goodbye

You just wake up, kiss the good life goodbye
