

## The Love of a Boy

Dionne Warwick

The love of a boy  
Can change a girl  
Into a woman

(Woman, a woman)

I know that it's true  
My love for you  
Made me a woman

One time I was only a girl  
Young and afraid  
You came to me  
And you gave me love  
What a difference you made

The love of a boy  
Can change a girl  
Into a woman

(Woman, a woman)

With just one caress  
Your tenderness  
Made me a woman  
Made me a woman

You are faithful and true  
Love burning deep in my heart  
Is onl . . .  
And it's only for you  
My true love

Woah, oh oh, oh oh  
Woah, oh oh, oh oh . . .
