The Second Time Around

Dionne Warwick

Love is lovelier The second time around Just as wonderful With both feet on the ground

It's that second time you hear Your love song sung Makes you think perhaps that love Like youth, is wasted on the young

Love's more comfortable The second time you fall Like a friendly home The second time you call

Who can say What brought us to this miracle we've found There are those who'd bet Love comes but once and yet

I'm oh so glad we met The second time around
