

This Little Light

Dionne Warwick

Jesus gave me a little light
And I'm gonna let it shine
Jesus gave me a light
You know that I'm gonna let it shine
Jesus gave me a little light
And I'm gonna let it shine
Let it shine (Shine)
Let it shine (Shine)
Let it shine (Let your little light shine)

Oh, you know that everywhere I go (Everywhere I go)
You know that I'm gonna let it shine (I'm gonna let it shine)
And everywhere I go (Everywhere I go)
You know that I'm gonna let it shine (I'm gonna let it shine)
You know that everywhere I go (Everywhere I go)
You know that I'm gonna let it shine (I'm gonna let it shine)
Let it shine (Shine)
Let it shine (Shine)
Let it shine (Let your little light shine)

Oh, you know that this little light of mine (This little light of mine)
You know that I'm gonna let it shine (I'm gonna let it shine)
Hey, this little light of mine (This little light of mine)
You know that I'm gonna let it shine (I'm gonna let it shine)
You know that this little light of mine (This little light of mine)
You know that I'm gonna let it shine (I'm gonna let it shine)
Let it shine (Shine)
Let it shine (Shine)
Let it shine (Let your little light shine)
Let it shine (Shine)
Let it shine (Shine)
Let it shine (Let your little light shine)
Let it shine (Shine)
Let it shine (Shine)
Let it shine (Shine)
