

# Track Of The Cat

Dionne Warwick

Soft black silhouette  
Creeping slowly towards you  
Track of the cat  
Dark eyes beckon you  
Till the spell surrounds you  
Track of the cat

Track of the cat  
Track of the cat

All at once you're aware  
Something has captured you  
You can try to resist  
Still it keeps haunting you  
Track of the cat

Big cat's moving moving  
Big cat's moving moving

Sweet sounds linger on  
Whispering although i'm gone  
Track of the cat  
Trapped, there's no escape  
Turn and look behind you  
Track of the cat

Track of the cat  
Track of the cat

For wherever you go  
My voice will follow you  
You can try to resist  
Still it keeps haunting you  
Track of the cat  
Big cat's moving moving  
Track of the cat
