

## We've Only Just Begun

Dionne Warwick

We've only just begun to live  
White lace and promises  
A kiss for luck and we're on our way

Before the rising sun we fly  
So many roads to choose  
We start our walking and learn to run  
And yes, we've just begun

Sharin' horizons that are new to us  
Watchin' the signs along the way  
Talkin' it over just the two of us  
Workin' together day to day, together

And when the evening comes we'll smile  
So much of life ahead  
We'll find a place where there's room to grow  
And yes, we've just begun

Sharin' horizons that are new to us  
Watchin' the signs along the way  
Talkin' it over just the two of us  
Workin' together day to day, together

And when the evening comes we'll smile  
So much of life ahead  
We'll find a place where there's room to grow  
And yes, we've just begun, we've only just begun, too late
