## We've Only Just Begun

## **Dionne Warwick**

We've only just begun to live White lace and promises A kiss for luck and we're on our way

Before the rising sun we fly So many roads to choose We start our walking and learn to run And yes, we've just begun

Sharin' horizons that are new to us Watchin' the signs along the way Talkin' it over just the two of us Workin' together day to day, together

And when the evening comes we'll smile So much of life ahead We'll find a place where there's room to grow And yes, we've just begun

Sharin' horizons that are new to us Watchin' the signs along the way Talkin' it over just the two of us Workin' together day to day, together

And when the evening comes we'll smile So much of life ahead We'll find a place where there's room to grow And yes, we've just begun, we've only just begun, too late
