What Is This Thing Called Love/So In Love

Dionne Warwick

I was a humdrum person leading a life apart when love flew in through my window wide and quickened my humdrum heart

love flew in through my window
I was so happy then
but after love had stayed a little while
love flew out again

what is this thing called love this funny thing called love just who can solve its mystery why should it make a fool of me?

I saw you there one wonderful day you took my heart and threw it away thats why I ask the lord in heaven above what is this thing called love?
