

Who Do You Think It Was

Dionne Warwick

Now tell me, who do you think it was?
I know it was Jesus
Tell me, who do you think it was?
I know it was the Lord
Now tell me, who do you think it was?
I know it was Jesus
Tell me, who do you think it was?
I know it was the Lord
Now tell me, who do you think it was?
I know it was Jesus
Tell me, who do you think it was?
I know it was the Lord

Now tell me
Who do you think that in the Lion's den
Saved young Daniel from the terrible sin?
Who put the block in the Lions jaw
Saved young Daniel from that terrible paw?

Tell me, who gave that man in the city some pay?
Who placed my feet on a rock to stay?

Well, it was jesus, Jesus
It was Jesus
Oh, it was Jesus, Jesus
It was Jesus

Tell me who do you think it was?
I know it was Jesus
Tell me who do you think it was?
I know it was Lord
Tell me who do you think it was?
I know it was Jesus
Tell me who do you think it was?
I know it was Lord

Tell me who took five fishes and five loaves of bread
Gave to that hungry crowd that had to be fed?

Who'll feed my mother when my mother is gone?
who is it will take me to my heavenly home?

It was Jesus, Jesus
It was Jesus
Oh, it was Jesus, Jesus
It was Jesus

Tell me who do you think it was?
I know it was Jesus
Tell me who do you think it was?
I know it was Lord
