

# Who Gets The Guy

Dionne Warwick

Who gets the guy at the end of the show?  
I'd like to know  
People say you have found another  
Is it true, what they say?

When the picture's over, will it be all over?  
Tell me, who gets the guy  
In that last sweet caress?  
Don't make me guess

Lovin' you has become my whole life  
I can't live without you  
When it's time to walk out  
Are you gonna walk out?

And that's why I just keep listenin'  
To the music to see if it's happy or sad  
Because if it's happy that's how I feel  
And if it's sad, well, that's too bad for me

Woah, can't you see just how much I need you?  
It just has to be me  
Tell me that the ending is a happy ending for me  
And that I get the guy

Woah, can't you see just how much I need you?  
It just has to be me  
Please tell me that the ending is a happy ending

Can't you see just how much I need you?  
It just has to be me
