

You're All I Need to Get By

Dionne Warwick

Like the sweet morning dew,
I took one look at you,
And it was plain to see you were my destiny.
With my arms open wide, I threw away my pride.
I'll sacrifice for you dedicate my life for you.
I will go where you lead always there in time of need.
And when I lose my will you'll be there to push me up the hill.
There's no, no looking back for us, we got love sure 'nough, th
at's enough.
You're all, you're all I need to get by.

Like an eagle protects his nest for you I'll do my best,
Stand by you like a tree, dare anybody to try and move me.
Darlin' in you I found strength where I was torn down
Don't know what's in store but together we can open any door.
Just to do what's good for you and inspire you a little higher.
I know you can make a man out of a soul that didn't have a goal
. 'Cause we, we got the right foundation and with love and determ
ination.
You're all, you're all I want to strive for and do a little mor
e.
All, all the joys under the sun wrapp'd up into one.
