

You're My World

Dionne Warwick

You're my world, you're every breath I take
You're my world, you're every move I make
Although I see the stars up in the skies
But for me they shine within your eyes

As the trees reach for the sun above
So my arms reach out to you for love
With your hand resting in mine
I feel a power so divine

You're my world, you're every prayer I pray
You're my world, you're every breath I take
If our love ceases to be
That is the end of my world for me

With your hand resting in mine
I feel a power that is so, so divine

You're my world, you are my night, my day
You're my world, you're every prayer I pray
If our love ceases to be
That is the end of my world

It's the end of my world
It's the end of my world for me
