

Another Queen

Diorama

Systems slaved to secrets
Wisdom unsuspecting quest
Silence holy true old friend of mine
Timid tries to race me down

Another episode of wild complains
Closes chapters of childish struggle inside
Pale naked as now thoughts cannot deny
The purpose of neglecting lies

Withered fairy all my dedication
All my love for you

Belive in the signs I dram on your skin
Secrets now told as final advice

Belive in the signs I dram on your skin
Another queen that will never rise
