## **Leaving Hollywood**

## Diorama

Emptiness dead-smooth and choking the air Irm, leaving Hollywood if you don't care Lost in the twilight of self-consciousness Trying to picture the smile you might wear

Where are the plastic doves ready to kill The inspiration I try to fulfill Cry for me sister on Valentiners day You'll find me lying on Hollywood Hills

Spoke to an acolyte coming my way
The weather is fine what a wonderful day
His bloody robe suits him tolerably well
But he can never induce me to stay

Your double-dealing voice hits me so low But Irm your henchman so I have to go

Nobody sees that I'm only your frame When I left Hollywood they all will know

Someday you gonna crucify me in a black-painted room You gonna call all your opponents who gonna spit me in The face hit me in the face And I will laugh about everyone Ird cover my mug if I could

Emptiness dead-smooth and choking the air Irm leaving Hollywood if you don't care Lost in the twilight of self-consciousness Trying to picture the smile you might wear Trying to picture the smile you might wear Trying to picture the smile you might wear
